Dear Parents and Carers

Did you know that just registering your child for Free School Meals if you are eligible means that the school get extra money to help support your child?

The Government is giving money to schools to help children from lower income families do their very best. This funding is called a 'Pupil Premium'. For every child registered, Parrs Wood High School gets £900.

With this money we could purchase additional resources, equipment and also staffing to support our most vulnerable children. If you are registered for Free School Meals you could also get help with the cost of school trips and uniform.

Please register to make sure your child and others in their class don't miss out.

### How does it work?

1. First, check if you qualify – it is not just if you are unemployed, so please look at the list on the next page.
2. Registering is really quick and easy – if you think you qualify, contact Manchester City Council (contact details <http://www.manchester.gov.uk/education>) who will help you to register.
3. If you want your child to have a free, healthy meal at lunchtime that's great – they will get a free meal (saving you more than £350 a year), extra benefits and the school gets £900 extra.
4. If you don't want your child to have the school meals, they can continue as normal, as long as you qualify and are registered, the school still get £900 extra.

No one will know you have registered and it will not affect any other benefits you are claiming. Parrs Wood High School operates a cashless catering system which ensures complete discretion.

For further information or if you have any questions, please contact 0161 234 5003 to talk about registering your child today.

Yours sincerely
